# OUR SEVEN-P ROUTE MAP

*At Fastline, we administer an extensive 7 phase process to help your organisation achieve its strategic goals. Our 7 phase process is dynamic to adapt to your changing human resource requirements.*

In-depth knowledge of the resource requirement along with an ideal candidate profile is crafted.

The profiles of shortlisted candidates are shared with the organisation for final review followed by an interview by our expert panel.

Comprehensive and profound background verification is done for the selected candidates to ensure credibility.

**PHASE  
01**

Our team of experts analyze and understand your organisation along with your recruitment needs.

**PHASE  
02**

**PHASE  
03**

Candidates are sourced through our latest powerful REC360 technology and are shortlisted based on the requirements.

**PHASE  
04**

**PHASE  
05**

The candidates are weighed through a series of aptitude and non-aptitude tests to ensure job and organisation fit.

**PHASE  
06**

**PHASE  
07**

On offer acceptance, initial training is initiated to uplift the candidate's knowledge about the organisation and its requirements.

*\*Even though the process is complete with Phase 7, our team ensures constant communication with the organisation and on boarded candidates for regular feedback.*
